The Mapping Science Institute Australia invites you to participate in the

INTERNATIONAL
YEAR OF THE
MAP
2015 - 2016

Cartography is the science, art
and technology of making and using
maps and geographic information.

A worldwide celebration
of the map and their unique
role in our world. 

Advancing the disciplines of
cartography and GIScience
in international context.

For more information visit:
www.mappingsciences.org.au

JOINT INITIATIVE OF THE INTERNATIONAL CARTOGRAPHIC ASSOCIATION (ICA) AND ENDORSED BY
THE UNITED NATIONS COMMITTEE GLOBAL GEOSPATIAL INFORMATION MANAGEMENT (UN-GGIM)
